8. [ ] LIAISON Called Chuck Snodgrass, House Appropriations Defense Subcommittee, on the secure phone, to tell him that the Intelligence Community Staff was preparing written responses to the questions he raised on a sensitive project on Friday, but I gave him an interim response based on my conversation with John McMahon, AD/DCI/IC, on Friday. I told Snodgrass, however, that my interpretation of Mr. McMahon's answer was subject to correction in the written response by the Intelligence Community staff. Snodgrass said he understood and appreciated the interim information which put him a little more at ease on this subject.

Snodgrass also mentioned that Jim Taylor, Comptroller, had talked with him on the open phone earlier alluding to a budget amendment for another sensitive project. He said he would like Taylor or me to call him back on a secure phone to provide more details.

After checking with Mr. Taylor, I called Snodgrass and indicated what the nature of the amendment was and said that as Mr. Taylor had suggested, we would be glad to have someone come up and brief him at his convenience.

25X1 12. [ ] LIAISON Walt Ricks, Senate Select  
Committee on Intelligence staff, called to indicate that Senator Robert  
Morgan (D., N. C. ) indeed would be interested in a briefing on Mexico  
which I offered the other day. Arrangements were made with [ ]

25X1 brief the Senator at the Bethesda Naval Hospital this afternoon.

25X1 13. [ ] LIAISON Pat Carroll, House Liaison

within the White House the basis for the President's statement that  
former President Nixon is being provided intelligence material.  
After checking with Messrs. Ben Evans, Executive Secretary, and

order will be made available to Congress, and that the definition of "program

25X1 15. [ ] LEGISLATION Called Robert Carlstrom,

that the draft bill had been sent to a number of Executive agencies and  
departments for coordination, but not to the CIA. (Mr. Carlstrom said he  
did not know why it was not sent to us.) Mr. Carlstrom made a copy available

draft bill.

1. (Internal Use Only - RJK) BRIEFING Anne Karalekas, Senate Select Committee on Intelligence staff, spoke to a Records Management Seminar held at [REDACTED] She presented an excellent background explanation for the Committee and its current working relations with the Agency and the Intelligence Community. It was extremely well received by the approximately [REDACTED] Agency Records Management Officers in attendance. He also indicated he would like to have Mr. Gambino give the Subcommittee members and staff a two hour briefing on the Agency's security procedures. (See Memo for the Record)

4. (Unclassified - PG) LIAISON As a follow-up to the meeting with Philip A. Locavara and John W. Nields, Jr., of the House Committee on Standards of Official Conduct I called Paul Daly, FBI Legislative Counsel, to STAT  
advise Daly that it appeared advisable to shift the investigations required for security clearances for the Committee staff from DOD to the FBI. [REDACTED]  
had been in contact with Daly on this matter earlier, and Daly indicated to me that this would not be a problem for the FBI. In response to my request that he attempt to expedite the investigative phase of the clearance for Nields, Daly asked that Locavara and Nields contact him directly on this. I agreed and so advised Nields.
